Maintaining Your Solid Surface Investment

Dear Valued Customer,

It's been a few years since your solid surface countertops were installed, and we hope they've been at the heart of many wonderful memories in your home.

When you chose solid surface countertops, you made a fantastic investment. High-quality materials like Corian™, Hi-Macs, Staron, Avonite, and LivingStone are designed to stand the test of time. With proper care, they can look as stunning as the day they were installed for many years.

At SPW Surfaces, we specialize in refinishing and restoring solid surface countertops to bring back their original beauty. If your countertops have started showing signs of wear, such as scratches or dull spots, our experienced specialists are here to help. We've assisted countless homeowners in rejuvenating their countertops, making them look brand new again—at a fraction of the cost of replacement.

Our team uses state-of-the-art equipment to ensure a seamless, dust-free refinishing process, and we're confident you'll find our specialists to be some of the most professional and knowledgeable in the industry.

If you think your countertops could use a refresh or if you have any questions about their care, please don't hesitate to reach out. We'd love to assist you in keeping your countertops looking their best. For more information, visit us at www.SPWSurfaces.com or give us a call today.

Warm regards,

The SPW Surfaces Team

High-Quality Materials
